The Rector's Message

It would be well if all of our parishioners would consider this booklet as a personal call from your rector. Your rector enjoys every opportunity for parish calling and greatly regrets that the press of much parish business and all sorts of engagements prevent more frequent approaches to your homes. To be sure, each of you are expected at the church for services and other activities. To be sure, sickness and bereavement and various emergencies and difficulties require the special and immediate attention of the rector. But there is much to be said for the friendly and informal call of the pastor and rector of the congregation. It is enjoyable and beneficial both to the parishioner and the rector. Four and a half years ago your rector was instituted; it has been a pleasant and worthwhile relationship. As time goes on, we hope to strengthen all of our family ties more and more as our whole parish increasingly exemplifies its true nature as a real family of God.

Our spiritual life must continue to center itself at the church, before the Altar in acts of worship and devotion. Social life and recreation have largely been separated from the church, but every occasion for fellowship and pleasure at the church is a chance to become more closely related to your fellow-worshippers. Brothers and sisters are not strangers; become familiar with the other members of this family of God. As we walk closer to God, let us get closer to one another. "Let us love one another, even as God, for Christ's sake, first loved you."

Our parish has gone forward in many respects, although there can be great advancement still in matters of church attendance and church support. Churchmen make the corporate worship of God a regular, weekly activity. Churchmen support the Church by proportionate giving via the weekly offering envelope. Worship is not a spare time activity; giving is not a matter of surplus funds. On the contrary, worship is as essential as eating and sleeping; giving to the church is as necessary as rent and

clothing. God will supply our spiritual needs as we kneel before His altar; we must supply the temporal needs of the church as it seeks to make available a suitable place and an effective program where God's family may come together.

Sunday morning, November 27th, at 11 A. M., The Rt. Rev. Oliver J. Hart, D.D., Bishop of Pennsylvania, will confirm our 90th Anniversary Class of Candidates. The class is now being recruited and will soon begin instructions. Enlist now — by so informing the rector of your desire to be confirmed. Communicant status in the church is both a joy and a responsibility. As candidates become communicants by the Sacrament of the Laying on of Hands, all other parishioners should recall the vows they also undertook, and rejoice in this further strengthening of our parish family.

During the present rector's tenure the parish register reveals some interesting facts statistically:

In the near future, I hope to see you in the church; as soon as possible, I hope to see you at home. Meanwhile, let us labor together in the Lord's vineyard in the assurance that our labor is not in vain in the Lord.

Faithfully and sincerely yours,

Our Parish Organization

"Pro Christo et Ecclesia"

The parish church is your spiritual home; the parish family includes you and many others as a localized unit of the family of God. Our membership includes men, women, and children; our parish life is intended to make our worship spiritually beneficial, our fellowship mutually enjoyable, our work increasingly effective. It is imperative that you share in all aspects of our church life, that our worship of God may be a truly corporate act, that our association may build up our knowledge and understanding of one another, that our acts of service to the church may bring a sense of usefulness and accomplishment to all our people. Truly has it been said, "The church needs you, and you need the church." The family is not complete unless every member is present and active. We have a place for you—your interests, your time, your talents and energies. We want you to take your place as we worship and work together for the building of the Kingdom of God.

These are the regular opportunities to serve your church; there are also many special occasions for you to assist and cooperate. Parish events require the participation of all our members, and also their efforts to promote and advertise certain endeavors throughout the community. No one can expect to rest on past achievements, nor can the gaining of new workers minimize the valued help of workers of long experience. Remember, it is more honorable to volunteer for service to Christ and His Church

than to wait to be drafted. The person who "has to be asked" is not very anxious to see the work prosper, progress and succeed. We know that "our labour is not in vain in the Lord." Works are more effective than words. By our works will Christ measure our earnestness and zeal for His Kingdom and say finally to the faithful, "Well done, thou good and faithful servant." From baptism, you promised to be Christ's "faithful soldier and servant until your life's end." Are you? If not, will you? Begin now!

Pray daily for fidelity in your christian calling:

"Teach us, good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save that of knowing that we do Thy will; through Jesus Christ our Lord." Amen.

"Established 1859"

The 90th Anniversary of the Church of St. Alban, Roxborough, occurred on June 26th, 1949. In a week-long celebration our parish made fitting observance of this great occasion in our parish life. Two further attempts to make 1949 a long-to-be-remembered anniversary year include the actual beginning of the Building Program, and the recruiting of our 90th Anniversary Confirmation Class. This booklet has been published at this time to provide further emphasis to the historic event of our 90th Birthday. We heartily commend and congratulate our Anniversary Committee for directing the entire observance and arranging the necessary details. Under their careful direction, the following history of our parish was compiled and published. We offer it to you, so that you may know the origin and development of our parish over nine decades. We expect that you will add much to the record ere our first century is completed. In this hope and expectation, the Committee submits this record of our past; the future of St. Alban's Parish is for you to determine.

90th Anniversary

of the

Church of St. Alban

1949

By JOSEPH E. J. McGEE

and HOWARD J. GOODMAN

During the distressing years preceding the Civil War there were fourteen Protestant Episcopal Churches established in the Diocese of Pennsylvania. Among these were the Church of Saint Alban, now located at Ridge and Fairthorne Avenues, and St. Timothy's Church at Ridge and Jamestown Avenues, Roxborough.

Early in the year 1859, a number of communicants of St. David's P. E. Church, Manayunk, who resided in the vicinity of Ridge Avenue and Crease's Lane (now Livesey Lane) desired a church in Roxborough. As a result of several meetings, a congregation was formed and called tentatively, "St. Peter's Church".

When actual organization started these people took as a name, "The Church of St. Alban", in honor of the first British martyr, Alban.

The first service was held in a store at 6785 Ridge Avenue, which is now a private dwelling, two doors north of the present church property. This service was held on June 26, 1859, eight days prior to the Fourth of July observance of the "Wissahickon Sunday School", which afterwards became St. Timothy's Church.

The initial service, in the store on Ridge Avenue, was conducted by Rev. J. W. Claxton, then Rector of St. David's Church, Manayunk.

There were fifty persons present, and on the following Sunday, July 3, 1859, a Sunday School was organized with forty-eight pupils in attendance. The Primary Department met in the home of Alfred Crease, at the north-east corner of Ridge and Fairthorne Avenues. The Primary teachers were Miss Louisa Crease, now Mrs. Louisa

C. Harper, who is still living at 401 Green Lane; and a Miss Dannaker.

Giving the greatest impetus to this early movement was Frederick F. Fairthorne, who owned what is now a major part of the familiar Fairmount Farms. The present Fairthorne Avenue was the private road to his estate and was guarded by gates at the Ridge Avenue entrance.

The men who composed the first vestry, which drew the Church Charter, were: Frederick F. Fairthorne, D. Mason Godwin, Joshua Garsed, Joshua S. Garsed, C. C. Von Tagen, T. Cecil Andrews, Albert N. Rorer and Charles I. Crease.

Frederick F. Fairthorne donated the property on which the Church Parish House, the one-time horse sheds, and the drive are located. The corner lot was purchased in May of 1879, and a Rectory was built thereon and completed by the contractor, Benjamin T. Lentz, on November 8, 1879.

At a meeting of the vestry of St. David's Church, held on February 16, 1860, a letter was received from Mr. Fairthorne, offering to assume the payment of \$500 for the support of Rev. R. H. Brown, a deacon, to serve as assistant to Rev. J. W. Claxton, and to have charge of the St. Alban's Mission for one year. The offer was accepted. On May 10, 1860, Mr. Fairthorne made another offer of \$500 towards a church building and stated there was \$2000 in view. St. David's accepted the offer and appointed Alfred I. Crease and Jacob Casselberry to view the proposed site and see to conveyance of the property. On September 12, 1860, these two men reported that the lot had been deeded and the Chapel was in the course of construction, and three days afterward, on September 15, 1860, the cornerstone was formally laid.

Alfred I. Crease, who lived at Ridge Avenue and Crease's Lane, was chairman of the Building Committee. Alfred Byles was the architect; John Lehman the mason; and Turner & Brown were the carpenters. Incidentally, the same James Turner was the foreman carpenter when St. David's new church was erected in 1880.

Rev. Mr. Brown terminated his service on January 1, 1861, and at that time the organization of a parish was seriously discussed. As to the name of the mission, Mr. Fairthorne wrote to St. David's Accounting Warden, that

the St. Alban's people had not yet applied for a charter, but that those who attended its services were in the habit of calling the church "St. Alban's" and that when application for the Charter was made, it would be under that name.

In a letter dated March 25, 1861, Mr. Fairthorne stated that Rev. Chas. R. Hale, a deacon and later Bishop of the Diocese of Cairo, Illinois, had been secured to conduct the services in the unfinished church building. In the same year this clergyman was ordained a priest and became assistant rector of Christ Church, Germantown.

The first service in the finished church was held on October 13, 1861. In July of the same year, Rev. Marcus A. Tolman, previously assistant rector of St. David's Church, was chosen rector, and ordained a priest in November of 1865, he being the rector during the trying days of the War of Rebellion.

About one-half of the parish house had been completed at that time. It possessed a belfry carrying three small bells, one of which was tapped during Rev. Mr. Tolman's time by a rope leading to the vestry room, to inform the communicants that he was ready to begin the service. In the parish house, at the time of its completion, Howard McBride, of Pechin Street, started his Sunday School career, in the Primary Department.

Six days after Right Rev. William Bacon Stevens was consecrated Assistant Bishop of the Diocese of Pennsylvania (on January 8, 1862) he dedicated the Church of Saint Alban building to the worship of God.

The clergy who participated in the dedication services were Rev. Dr. G. E. Hare, Rev. Dr. Benjamin Watson, Rev. George Leeds, Rev. Richardson Graham, Rev. E. W. Syle, Rev. E. L. Lycett, Rev. J. Leighton McKim, Rev. S. F. Hotchkin, Rev. Benjamin Wistar Morris, and Rev. Marcus A. Tolman, the Rector. Other clergy present included: John Woart of Norristown; Samuel Smith of Hulmeville; Chandler Hare; Charles R. Hale, and F. G. Clemson.

On June 30, 1862, after receiving formal notification of the Church's admission to the Diocesan Convention, the Secretary of St. David's vestry was instructed to return the deed to Mr. Fairthorne, he, with Charles I. Crease, being the respective wardens of the new parish.

In April of 1863 the founder, Mr. Fairthorne, met with

financial difficulties and removed to Australia. He was living in Woodbury, N. J., in 1899, and probably dying there; was interred in St. Alban's churchyard in December of 1899. His wife, Emma Parker Rand, was buried in the same plot in 1906. A few years previous to his death, Mr. Fairthorne visited the Sunday School while it was in session. He showed a continued interest in the welfare of the parish and his removal brought trying days to the church.

In January, 1866, Rev. Thomas W. Martin became pastor and remained until February, 1868. A year of services by lay readers followed. In February, 1869, Rev. J. H. MacElroy became rector, remaining less than two years.

Rev. Richardson Graham was elected rector in June of 1871, and remained about one year. On September 19, 1871, a resolution was passed declaring the pews thenceforth to be free. This was sanctioned and approved by the Bishop of the Diocese. Rev. A. A. Rickerts was rector during 1872 and 1873. The next rector was Rev. John W. Windsor, who resigned on August 18, 1875, whereupon Bishop Stevens appointed a divinity student, John Cotton Brooks, as lay reader, who continued at this work until May 14, 1876, about which time he was ordered a deacon. On May 21, 1876, Rev. E. Owen Simpson became rector at St. Alban's. He entered vigorously into the work, but the purchase of the corner lot and the erection of the rectory (previously referred to) was apparently too much of a strain, and he expired on Sunday, August 6, 1882. The vestry recorded at that time, "He strove to do his Master's work, both temporal and spiritual, and these speak with their own tongues and will live."

On September 11, 1882, the Rev. J. J. Joyce Moore became the rector. In September 1885, the parish house was enlarged at a cost of \$900. Aaron Hafford was the contractor. Financial conditions were bad and it was necessary to place a mortgage of \$1500 on the rectory.

On June 26, 1886, Rev. Mr. Moore resigned. A month afterward he was succeeded by Rev. J. Thompson Carpenter, and in a year's time much of the indebtedness was paid off.

In September 1888, Rev. Mr. Carpenter was succeeded by a young deacon who was ordained priest the following year. Mr. Lyons proved to be capable as to finances as well as a constructive and spiritual builder. Stained glass and memorial windows were presented by the Sunday

School and in memory of Lillie May Custer, John J. Joyce, Mary C. Hooman, Mary J. Duffield, Henry and Catherine Ashworth. The furnishings and interior of the church were changed and renovated, and the exterior of the building greatly improved. In 1890 the rectory indebtedness was paid off. In April of 1894 the Brotherhood of St. Andrew was organized. In 1897 a new Hook Hastings pipe organ was installed and first used by Miss Edith Moyer on Easter, 1897.

Under the direction of Mr. Lyons and the Warden James L. Rahn, the church finances were commendably handled. On May 10, 1898, the rector, through direction of the vestry, informed the Bishop that the Church could relinquish aid from Diocesan funds, which was done. On June 17, 1898, the rector celebrated the 10th anniversary of his ordination, Bishop Whitaker and three members of Mr. Lyons' graduating class being present.

The vestry at this time consisted of James L. Rahn, Rector's Warden; Dr. Chas. Bland, Accounting Warden; E. Atlee Snyder; William R. Knipe; Elisha B. Knowles; Benjamin T. Lentz; Sheldon M. Custer; James R. Lord; Ralph R. Moyer; Joseph E. J. McGee; Edwin N. Hafford, and Alfred Edmunds, Jr.

An endowment fund was started and amounted to \$307 at this time. On November 16, 1907, a gilded cross was donated by the American Bridge Company and erected on the peaked roof of the church vestibule. Two years later the parish house roof was replaced with slate, and all the buildings improved, most of the work being done by the Men's Guild of the church.

James L. Rahn, a vestryman for forty years, died on April 9, 1908, and a stained glass window was placed in the Vestry Room in his honor.

During Rev. Mr. Lyons' rectorship he was greatly inspired and aided in gathering an endowment fund of \$8500. To this was willed \$1000 by the late Miss Mary P. Hagner.

When replacing tin rain conductors on the church, by copper ones, in 1912, a piece of moulding in one of the cornices was found with the following words written on it: "William T. Faust and Josiah Bickings, house carpenters, Curtain (Curtin) for Governor, 15,000 ahead". Building improvements kept on apace, the heating apparatus and chimneys being improved as time and funds permitted.

During the World War, St. Alban's Church, like others

in the community were active in sustaining the morale of the soldiers, marines and sailors, who were engaged in the conflict. On St. Alban's Day, June 17, 1917, on a newly-erected flagstaff in the churchyard, an American Flag was raised in honor of two members who were seeing service in the Marine Corps: William F. Engle and J. Ernest McGee. Twenty-eight of the male members of the church eventually saw action in the various branches of the Nation's military service.

In 1922, during repairs to the Parish House roof, a board was found, bearing this legend: "Frank Mower, Jr. Saturday, November 14, 1885."

About 1926 the Sewing Guild paid for pointing the exterior of the church. The time-honored ivy and plaster were removed.

On April 1, 1928, Rev. Mr. Lyons conducted his final service here, after a rectorship of 39 and one-half years, becoming Rector Emeritus.

In 1924, a bequest became available to the Sunday School of \$1000 from the late Rev. Marcus A. Tolman, the interest of which was to be used to defray the cost of Christmas gifts to Sunday School members.

On April 2, 1928, Rev. Edgar C. Campbell began a 13½ month rectorship, passing away on May 17, 1929. Rev. Mr. Campbell possessed rare gifts of oratory and was a preacher of remarkable ability. His widow still survives at the time of our 90th Anniversary.

A new Altar was installed and dedicated on February 9, 1929. The church worshipped with various clergymen and lay readers until the arrival of Rev. Neville Herbert Caley, on March 2, 1930. Activities once more took a new life and greater improvements to the church are continuing. A new lectern and pulpit, in memory of Rev. and Mrs. Lyons, replaced the former ones placed in service by Mr. Lyons in 1889. A new lighting system has been installed. Mr. Caley has proven to be a talented musician as well as a splendid preacher. The choir, under his direction, ranks second to none in the locality. The future of St. Alban's Church appears in a fine light under his leadership.

The vestry consisted of Ralph Moyer, Rector's Warden; Theodore Bechtel; Alfred R. Bechtel; William Hol-

land; William A. Taylor; Howard S. Goodman; Owen B. J. Fullaway, and Alvion P. Mosier.

The marble tablets on the church walls are in memory of Alfred Crease, Joshua Garsed (slain at the Battle of Gettysburg) and Clifford Rahn (son of James L. Rahn). Miss Mary P. Hagner, a life-long member and supporter of the church, died on February 23, 1931. The present font in the church is a memorial to Mr. and Mrs. James Work.

Among the valued workers during the existence of St. Alban's Church have been Annie Kimble Snowden, Miss Lily Snyder, Mrs. Elizabeth Dearnley, Benjamin T. Lentz, and Mrs. George W. Moyer. Another outstanding layman of the past, who also was intensely active and interested in parish affairs, was Mr. Harry S. Sykes. The present Sewing Guild is composed of members of St. Alban's Church, as well as of other denominations, and contributes largely to the finances of the church. Mrs. Israel James is president. As one of the workers at St. Alban's School, the Men's Guild, and the Brotherhood a fine record was left by the late Dr. James M. McGee.

The rare ability and devoted service of Miss Edith Moyer, as organist for 37 years, is something which members of St. Alban's Church are justly proud. Miss Moyer continued as a member of the choir until 1947. The late Mrs. Maud Rahn Bechtel preceded Miss Moyer as organist; Miss Moyer was succeeded by Mrs. Alfred R. Bechtel.

The Rev. N. Herbert Caley is the only surviving former rector of this parish. He is currently rector of St. James, Langhorne, Pa., and Dean of the Convocation of Germantown of the Diocese of Pennsylvania.

In December 1934, The Pence Plan was instituted to defer expenses of public utilities. In 1947 the proceeds from the Pence Boxes henceforth were designated for the Building Fund.

In 1935, the parish, for economic reasons, requested and received assistance from the Diocesan Sustentation Fund. In October 1944, this aid was voluntarily terminated by action of the Vestry.

In March 1935, the Sewing Guild financed the building of our present kitchen facilities in the Parish House, which were dedicated February 9, 1936.

In 1935 the Endowment Fund amounted to \$4,871.50;

today, this fund amounts to \$10,000.00 plus an additional \$1,000 for the benefit of the Church School. For future improvements, the Sewing Guild, which celebrated its fiftieth year of activity in 1948, also holds a \$1,000 bond.

The memorials of the church have numerously increased through the years, and in many ways we have occasion to remember the active service and abundant generosity of former members of the parish. As needs have arisen, parishioners, by gift or bequest, have most readily and kindly responded. The Book of Memorials contains the record of each acquisition, and is available at all times for all to read. The planned series of stained glass windows for the church, begun in 1942, was completed in 1948.

On February 15, 1939, the appointment of one to four men for the auxiliary vestry was authorized to augment the regularly elected vestrymen. Appointment to be made by the Rector and Wardens to serve for the calendar year. The first appointees were C. E. Rutherford, R. C. Flanders, Wm. Caley and Carl L. E. Schwartz.

In April of 1940, consideration began of widening Fairthorn Avenue, removing the fence and laying new pavement. The deed of dedication was made in June, 1940.

In February 1941, the Hearing Aid Installation was made in the church at four locations on the west side, as a gift of Mr. and Mrs. Theodore A. Bechtel for the benefit of the hard of hearing.

April 16, 1941, Mr. Ralph R. Moyer resigned as vestryman and Senior Warden, and was subsequently designated as Rector's Warden Emeritus. He was succeeded by Mr. A. R. Bechtel. May, 1941, the Rector, Mr. Caley, was elected Dean of the Convocation of Germantown.

In January 1942, the Honor Roll for World War II Veterans was authorized by the Vestry, with an appropriate plaque to be obtained later. This plaque, with a matching plaque for the Veterans of World War I, was dedicated at an appropriate and impressive service on Sunday evening, April 20, 1947. During World War I, the parish house was equipped by the Red Cross for emergency use for 30 persons.

January 20, 1944, the Rev. Mr. Caley's resignation as Rector was received by the Vestry and accepted with regret, effective on February 15. After a 13 month vacancy,

on March 15, 1945, our present Rector, the Rev. Robert H. Stetler, began his tenure as Rector. Under his active leadership and direction, the tempo of our parish life and our participation in community and diocesan affairs have considerably increased. The next decade presents a future of promise and encouragement for the Church of Saint Alban in Roxborough.

On July 4, 1945, after a long period of inactivity, our parish again resumed its representation in the Sunday School Parade, and we resumed again a picnic program at our own area in Wissahickon Park, at the junction of Livesey Lane and Henry Avenue.

In 1945, within one month, our parish suffered the serious loss of three prominent and active laymen: Mr. Theodore A. Echtel, Accounting Warden; Mr. Charles E. Rutherford, Senior Warden, and Mr. Owen B. A. Fullaway, former Vestryman. Mr. Alfred R. Bechtel, succeeded as Accounting Warden, and Mr. Wm. P. Eccles as Senior Warden. In 1948, Mr. Flanders succeeded Mr. Eccles as our Senior or Rector's Warden.

Beginning in 1939 our Wattis Group, with consistent progress, has been extremely helpful in the financial structure of our parish. It is hoped that with normal parish growth, and with more generous and regular giving, the earnings of such organizations can be held in reserve for special and necessary projects which are extra-budgetary items.

Our Building Fund, for the enlarging and improving of our parish house facilities, was instituted on July 4, 1945. On Easter Monday, the Bond and Stamp Plan was authorized and has been successfully introduced. The Pence Boxes were not discontinued, but are an aid to collecting moneys for the eventual purchase of Stamps (10c. each) or Bonds (\$10.00 each).

The Girls' Friendly Society Chapter was rechartered on September 23, 1947, and under Mrs. William McHale has become a vital part of our church's work among girls. Among boys, the training and regular serving of our altar boys has been continually observed as a great aid in the conduct of our services. The Young Peoples' Fellowship,

reorganized with the help of Mr. and Mrs. I. Wesley Manley, Jr., is now under the sponsorship of Miss Martha Boyce and Stanley Slovitsky. As more of our young people reach high school age, this group is sought out for its program of service and sociability.

The annual reports, since 1945, are now published in printed form to give all parishioners full detail of parish activities during the preceding year. Much of recent interest and development is to be found in these reports, which deserve your careful and studied reading. Recent property improvements have included the installation of sewer pipes on Fairthorn Avenue (1947) and on Ridge Avenue (1949); connection of facilities in the rectory (1947) and the shingling of the Rectory (1945) with provision of new heating and cooking facilities in the Rectory (1948).

Mrs. A. R. Bechtel resigned as organist on July 1, 1947, and was succeeded by J. Stokes Leeds, and later by our present organist, Mr. H. Gordon Thomas.

Our Church School Organist is John Eccles; pianist for the Beginner's Department is Miss Catherine Meagher.

This brief history was first compiled as a part of the 75th anniversary of the church, which took place on June 26, 1934, and was supplemented for our 90th anniversary (1949).

Our Building Fund and Program

July 4th, 1945, shortly after the institution of our present rector, it was decided to establish a Fund for the enlarging and improving of our parish house facilities. Many organizations and many activities in our parish life have been detrimentally affected by lack of space and lack of adequate facilities for conducting suitable meetings and an effective program. As the need was generally recognized, the Fund met with immediate and continued success. The Building Fund Committee, originally directed by Mr. Bechtel and later placed under the leadership of Mr. Renshaw, has been increasingly effective in the promotion of this Fund. Easter Monday, 1949, the Committee recommended and the Annual Congregational Meeting adopted the Stamp and Bond Plan for the enlargement of the Fund more rapidly. In three months the Plan has proved its worth and succeeding months and years will make possible the procurement of our entire plan as envisioned in the plans which were generously made and given by the rector's father, Mr. Jesse L. Stetler, registered architect. All members of the parish are reminded that the purchase of stamps and bonds may be made after church, at any organization meeting, or by correspondence with the rector. The stamps (10 cents each) are pasted in a book which, filled, equals a \$10 contribution. The Book of Stamps is then sent in and a Bond is issued with the name added to the year's Bldg. Fund Honor Roll. Memorial gifts and purchases by organizations are also suggested and appreciated. In every possible way the Fund must continue to grow; as our parish family increases, the material fabric of our spiritual home must do likewise.

Inasmuch as 1949 is our 90th anniversary year, and since we expect the full accomplishing of the Building Project to extend over a ten-year period, the Committee desired to carry out the wishes of the parish to begin the work this year. Avoiding mortgage indebtedness for the present, the work immediately undertaken involves several matters of extreme necessity which are integral parts of the total scheme of the project. The four steps taken now are with later steps in view, and are definitely vital elements of further expansion and improvement.

Step No. 1—The conversion from coal to oil, with elimination of two antiquated furnaces by replacement with a modern furnace and automatic heating for church and parish house.

Step No. 2—The location of an outside entrance into the basement of the church as an added convenience, and a safety factor for public gatherings in the Fellowship Room.

Step No. 3—The leveling of the parish house floor from the step of the stage rearward to the point of intersection with the present sloping floor.

Step No. 4—The building of a one-car garage at the rectory and the removal of the old sheds on the church property.

These items will consume practically all of our present Fund, but we confidently expect that it will soon be replenished by the sale of Stamps and Bonds, other gifts, and by special bequests for Building Purposes. In 1950, or soon thereafter, we hope to take the next most necessary steps of the total program. We cannot stop until the whole project is completed. We need more space, and the way will now be open for us to meet this need adequately when we are financially able to take step No. 5 in the Fellowship Room and Step No. 6 in the Kitchen. By our 100th Anniversary — our goal is to have it all built and all paid for! It can be done!

A PRAYER BOOK REMINDER

The Book of Common Prayer, on Page 320, imposes this responsibility upon the rector of every parish:

"The minister is ordered, from time to time, to advise the people, whilst they are in health,, to make wills arranging for the disposal of their temporal goods, and when of ability, to leave bequests for religious and charitable uses."

As God has blessed you, and as you have labored in the church during your lifetime, may you be desirous of providing for your spiritual home at your departure. Bequests may be for specific purposes or for undesignated use; they should be written at least 30 days before death, and be witnessed by two persons. In life you are a valued contributor; in death, may you be remembered as a benefactor of the Church of St. Alban.

Four Hundredth Anniversary of the Prayer Book

The Prayer Book in use in our Episcopal Church can proudly trace most of its contents back to the **FIRST ENGLISH PRAYER BOOK** of 1549. It is the third revision of the first American book published in 1789. That first book in the United States was made from the fourth revision of the English Prayer book of 1549. In making our book of 1789 it was formally resolved "to adhere to the Liturgy of the Church of England, so far as shall be consistent with the American Revolution and the Constitutions of the respective States". Furthermore, in composing it and in making each of the revisions of our first book it was not the intention "to depart in any essential point of doctrine, discipline and worship of the Prayer Book of the Church of England. A careful comparison of our present book with that used in England today will show how carefully this has been followed.

In our early colonies and the United States up to 1786, the English Prayer Book was used. A change was made April 1st of that year. The "Proposed Book" of revisions in the English book suitable for use in our country appeared, but never came into general use.

In 1892 General Convention ordered a Standard of the Revised Prayer Book. Subsequent revisions were made to meet the spiritual needs of the people in the services, etc., of the day.

Through all the changes of the Prayer Book in England and America, it has preserved the main characteristics, both of substance and of style, which marked it at its first completion in 1549.

The Rector's Message

The publication of this book commemorates 95 years of Episcopal Church activity as The Church of St. Alban, Roxborough, in the Diocese of Pennsylvania. On June 26th, 1859, as a mission of St. David's Manayunk, the life of this congregation began in this community. A more careful review of our parish history would reveal that difficulties and problems were repeatedly accepted as challenges, and courageously and sacrificially resolved at other times, opportunities and favorable situations were seized upon as occasions to make this Church an effective witness and a useful agent for the establishing of God's Kingdom. Succeeding generations of parishioners have nobly served the Christ by their work, and prayer and gifts — and many of them are permanently memorialized in our memories, parish records, and special gifts. The Church of our day owes much to the Church of yesterday and to them we pay thankful tribute now.

A good question for us to ask ourselves is — will the Church of the future be able to say the same thing about us? History can evaluate actions better than any attempts at hasty judgement or attempted justification. Deeds last much longer than words, and bear a much more permanent impact on the life and work of the Church. Many may call themselves Christians, but their verbal profession is only lip-service to God. Many may give regularly — but their giving to the Church is out of proportion with their expenditures for pleasure or luxuries. Many may find fault with an activity or failure to provide an activity — but do nothing to improve our parish life or fill an obvious need for a teacher, chorister, leader, or other parish worker. Anyone who refuses to work, neglects to worship, refrains from giving, or denies the Church the help of their interest and support is very definitely opposing the fulfillment of our Christian Mission in the world in which we live. St. Alban's faces a future which is full of potential glory and success. The realization of these things depends upon the willing, joyful and conscientious sharing — by every member — in the total program of this church.

How will we be remembered? Favorably, I am sure, if we work, and pray to give — unitedly and generously — for the spread of Christ's Kingdom.

God bless you — and yours!

BEFORE I was born MY CHURCH gave to my parents ideals of life and love that made my home a place of strength and beauty.

In helpless infancy MY CHURCH joined my parents in consecrating me to Christ and in baptizing me in His name.

MY CHURCH enriched my childhood with the Romance and Religion and the lessons of life that have been woven into the texture of my soul. Sometimes I seem to have forgotten and then, when else I might surrender to foolish and futile ideals of life, the truths MY CHURCH taught become radiant, insistent, and inescapable.

In the stress and storm of adolescence MY CHURCH heard the surge of my soul and She guided my footsteps by lifting my eyes toward the stars.

When first my heart knew the strange awakenings of love MY CHURCH taught me to chasten and spiritualize my affections; She sanctified my marriage and blessed my home.

When my heart was seamed with sorrow, and I thought the sun could never shine again, MY CHURCH drew me to the Friend of all the Weary and whispered to me the hope of another morning, eternal and tearless.

When my steps have slipped and I have known the bitterness of sin, MY CHURCH has believed in me and wooingly She has called me back to live within the heights of myself.

Now have come the children dearer to me than life itself and MY CHURCH is helping me to train them for all joyous and clean and Christly living.

MY CHURCH calls me to Her heart. She asks my service and my loyalty. She has a right to ask it! I will help her to do for others what She has done for me. In this place in which I live, I will help Her keep aflame and aloft the torch of a living faith.

The Church Year

The Church Year was formed in the earliest days of the Church and has developed through the centuries. No doubt the first feast to have a yearly observance was Easter, and the rest of the series of feasts soon grew up about it. The purpose of the Church Year is to teach by its orderly and progressive seasons, the great underlying truths about God and the Christian religion. Each season has its own special truth to convey, and thus through the year, the Church varies its emphasis, so that the whole content of the Christian religion is covered.

The Church divides the Church Year into two equal parts. In the first half, we follow the main events in our Lord's life. The seasons are as follows:

Advent—Preparation for His coming.

Christmas—His birth.

Epiphany—The manifestation of His life and power to the world.

Lent—His fasting and the events that led to the Crucifixion.

Easter—His resurrection from the dead.

Ascension—His ascent into heaven.

Whitsuntide—The pouring forth of the Holy Spirit.

Trinity—In this season, covering the latter half of the Church Year, the teachings of our Lord are emphasized, and we hear in our Prayer Book services the practical side of a Christian life as the necessary fruit of such a glorious faith, and God's Holy Spirit.

The Church also observes special Saint's days with beautiful lessons from the lives of her heroes and martyrs. Consult your Prayer Book for names and dates.

And in Jesus Christ his

ALBERT W. KELLER, JR.

Dear Members and Friends
of St. Alban's, Roxborough:

A century and a decade! Over these 110 years, our parish has made its mark in this community. Neither words nor statistics can tell adequately what many loyal persons have done and given to contribute to the annals of our beloved church. Succeeding generations have made our history noteworthy and commendable. Laboring in Christ's Name to strengthen and extend His Kingdom, we, of today, are responsible for being worthy of our heritage and for passing on to our spiritual progeny a Church that is alive and prospering. For a glorious past, a challenging present, and a hopeful future, thanks be to God.

As I approach the completion of my 25th year as your rector, my sincerest prayer is that we may continue loyally and faithfully in the service of our Blessed Lord.

God bless you, and yours.

Faithfully and sincerely,

Your Rector and Friend,

Rev. Robert H. Stetler.

Our Patronal Prayer

"O merciful Saviour, Who dost teach us that those who receive Thy ministers have the blessing of receiving Thee; we thank Thee for the example of Thy martyr Saint Alban, to whom Thou didst reveal Thyself in the days of persecution; and we pray Thee that Thy clergy and people may ever be ready to bear witness together unto death. In Thy Name and for Thy sake we pray." Amen.

Since 1945, our Sunday Leaflets have been prepared by Mrs. I. Wesley Manley and Mrs. Alfred W. Mays, Sr. Each week, vital news is thus made available to all who attend our Sunday Services.

Thus ends a Century and a Decade of Parish History. Time marches on! And with it, St. Alban's, Roxborough, marches on!

The Book of Remembrance

At our Centennial, a Book of Remembrance was placed in the church to record all memorials and special gifts. Beginning with a compilation originally drawn up by Miss Edith Moyer, the Book has been carefully maintained to date by Mr. Carl Schwartz. One section contains all bequests, memorials and permanent gifts. Another section contains a calendar for permanent memorial flowers and/or candles. This latter is made possible by a stated gift to the Altar Guild which becomes a part of our Endowment Fund. The cover of The Book of Remembrance was taken from the original Lectern Bible.

The Endowment Fund

Begun in 1899, the present value of our General Endowment Fund is \$46,327.37. It is always possible to increase this amount by gift or bequest as memorials or Thank-offerings. This rubric from the Prayer Book bears our remembering: "The Minister is ordered, from time to time, to advise the people, while they are in health, to make Wills arranging for the disposal of their temporal goods and when of ability to leave Bequests for religious and charitable uses". Our Endowment Fund assures the continuance of our witness for Christ in this community. A minimum gift of \$25.00 entitles the Donor to an entry in St. Alban's Book of Remembrance.
